

## Meeting Our Karma with INVISIBLE HELPERS

Online Class --- ZOOM

March 25 1-3 PM Central Time

<https://www.theosophical.org/program/webinars/5495-meeting-our-karma-with-invisible-helpers>

We will begin to understand our connection to higher forces through the study of Charles Leadbeater's INVISIBLE HELPERS. This will be an interactive workshop on the methods we need to understand to hear the invisible helpers in our lives, through our dreams, through our intuition, through our meditation and silence. A

practical approach to Leadbeater's work will give us a path that we might choose to follow in order to create a space in our lives to hear the call of the Invisible Helpers. We will focus on our practical experiences of 'how to verify our intuition' that the helpers are always present. We can focus on different intuitive methods to find these helpers; dreamwork, astrological, tarot, I Ching, meditation, contemplation, etc. Join us for a highly interactive way to approach our karmic path with our 'invisible helpers.'
